

Exhibit A

TwoPointOh Games, LLC, Minimum Advertised Price (MAP) Policy

In order to maintain the reputation, goodwill, and brand of TwoPointOh Games, LLC, a Washington Limited Liability Company (“TwoPointOh Games”), and to ensure proper promotion of its high quality products, TwoPointOh Games has instituted the following Minimum Advertised Pricing Policy (“MAP Policy”). This MAP policy applies to all TwoPointOh Games products sold by Retailers.

The MAP for any TwoPointOh product shall not be less than as documented on Schedule A.

This MAP Policy does not apply to the actual setting of prices, and only applies to the “advertised price.” As such, this MAP Policy will not apply to point of sale signs, hangtags, barcodes, and other in store markings on products, nor will it apply to the displaying of a price during the "checkout" stage for online purchases.

Under this MAP Policy, an authorized retailer may not create or produce off-premise advertising, notices, or postings that advertise the MAP Products (including, but not limited to, newspapers, magazines, print ads, mobile phone ads, Google ads, electronic mail, Twitter feeds, Facebook, or other social network postings, flyers, direct mail pieces, television, radio and Internet pages, pop-ups, comparison search engine ads, downloads or displays) at pricing below applicable MAP Price. TwoPointOh Games reserves the right to revise/amend the Map Prices as set forth on Schedule A from time to time in its sole and absolute discretion.

The discounts permitted under the MAP Policy may not be combined with any other discounts whatsoever. This includes coupons, rebates, in-store discounts, customer loyalty discounts, etc., unless added to the purchase after the final purchase or checkout stage. Furthermore, MAP Products may not be bundled with other TwoPointOh Games products, or with other MAP Products as a means of circumventing this MAP Policy.

Failure to comply with this MAP Policy will result in TwoPointOh Games taking such actions as it deems appropriate and necessary, in its sole and absolute discretion, including, but not limited to the following: discontinue all shipping of MAP Products and/or closing of the account of any Retailer who violates this MAP Policy.

Nothing in this MAP Policy shall affect TwoPointOh Games's rights to terminate the account of any Retailer authorized to sell MAP Products online as outlined in the terms of TwoPointOh Games's Retailer Agreement.

TwoPointOh Games, LLC, reserves the right to modify, suspend or discontinue this MAP Policy in whole or in part at any time. This MAP Policy does not preclude TwoPointOh Games from becoming a party to a separate agreement with any Retailer; provided such agreement is mutually agreed upon and is in writing.

This MAP Policy shall remain in effect unless TwoPointOh Games amends, replaces or terminates it.
